Fourteen alumni participated in Heywood Avenue School's Annual Alumni Day, three of whom have siblings currently attending Heywood. The alumni, who visited classes in grades K - 7, attend Montclair State University, Rutgers New Brunswick, Monmouth University, Rowan University, Union County College, Cazenovia College, Clark Atlanta University, Lehigh University, Allegheny College and Fordham University; while one is currently in the workforce with United Parcel Service (UPS). They represent the graduating classes from 2004 - 2009.

Separating our 7th grade girls and boys created two focus groups. In each group, our "alumni" were able to hone in on the advice they could share that specifically related to topics confronted by our girls and our boys. In our male group, alumni spoke about the realities of playing college sports, maintaining an academic schedule and enjoying the college experience; noting that student athletes' time is limited. They also informed their group about the need to focus on what they are doing now and setting goals to truly be college-bound. In the female group, alumni spoke about the impact of "girl drama" in the teenage years and provided strong advice to the girls about having respect for themselves and expecting that from young men.

There was "real talk" in both groups and powerful advice given. "This was an invaluable experience for our students, as alumni shared with them their experiences while at Heywood, their current experiences in college and/or the workforce, answered student questions regarding college and encouraged students to persevere, work hard and get involved in activities beyond school," said Principal Faith Alcantara. "Our students were engaged by our alumni and really paid close attention to the advice and guidance they offered them."

Pictured (above and left): Alumni visit classrooms at Heywood Avenue School.

Staff members, who had participating "alumni" as students, were happy to have them back and proud of whom they have become and what they are doing. In particular, Amari Day reunited with Mrs. Kelly Clark (*pictured left*), his former art teacher, who presented him with a picture he drew as a 6th grader.

Alumni Day activities occurred during first and second block of the school day. In the afternoon, all 6th and 7th graders attended a field trip to SOPAC Bow Tie Cinemas to view the movie "Hidden Figures" (*poster shown left*).

Alumni were advised to "Save the Date" for next year, as Friday, January 5, 2018, will be the 4th Annual Heywood Alumni Day!

On January 14, 2017, six Orange High School Health Profession students attended the New Jersey Health Occupation Students of America (HOSA) Northern Regional Competition. The students competed with over 500 students from high schools throughout northern New Jersey. Three of our students were able to each take 7th place. They were honored with being brought on stage and given an award. The students competed in the following events: Medical Math, Medical Terminology, Pharmacology, Nurse Assistant, and CPR/First Aid. OHS seniors, Franca Estimable and Tyeceese Clarke both were awarded 7th place at a team competition for CPR and First Aid. Valarie Barnave also was awarded seventh place for the Nursing Assistant competition.

January Board of Education Meeting

Heywood Avenue School hosted the January 2017 Board of Education Meeting on January 10. Student Neylla Joseph opened with the Pledge of Allegiance, followed by a moment of silence led by Director of Special Services Mrs. Shelly Harper, in memory of Carol Blowe, Learning Disabilities Teacher Consultant, for her dedicated service in the Orange Public School District spanning 30 years. A plaque, chronicling her service was presented to family members (**pictured right**). Her son, Mr. Aaron Blowe, thanked the board for their support and condolences.

Heywood Avenue School Wildcat Cheerleaders then took to the stage igniting the audience with school spirit. The school then presented and a video of the 21st Century Afterschool Program at Heywood Avenue School. The video, introduced by students Ebony Nkrumah and Tharaly Joseph, showed students enjoying a variety of activities. The 21st Century Afterschool Program is provided through a grant awarded to the district in 2015. The video demonstrated positive reaction to the activities explored by an array of students. Principal Faith Alcantara, thanked the audience, her students, staff and parents for their attention and support.

Before the Director of English Language Arts, Ms. Karen Harris, presented an overview and an update of the *Page Turners Reading Challenge*, Director of Curriculum, Instruction, Professional Development and Data Assessment, Dr. Terri Russo, announced that Orange High School has been approved for a chapter of *RHO Kappa National Social Studies Honor Society* under the impetus of the Supervisor of History/Social Studies and Technology Ms. Linda Epps.

Ms. Harris then gave an update on the *Page Turners Reading Challenge*, soliciting the Orange community to join the district in reading 1,000,000 pages, from Thanksgiving to Easter, November 25 through April 16. To date, she indicated that approximately 270,000 pages have been logged. To help promote participation, two high school students and members of Voices in Harmony, Danea Green and Tyra Crespo, penned a song "I Can't Stop Reading", to the Justin Timberlake melody, "I Can't Stop This Feeling". The song, mixed and performed by the *Orange Juice Records* recording students, under the direction of Mr. David Milnes, was made into a music video and shown to the audience. The students were present and congratulated for writing the song. Also announced is the participation of the New Jersey Devils. The team, through *Reading Plus*, a partner of the *Page Turners Challenge*, will award the top 5 readers in various categories in January, February and March with logo drawstring bags.

The NJ Devils will also give the school with the highest number of pages read two Street Devils Hockey Clinics, during June 2017, and the top 450 students with the most *See Reader* lessons will receive tickets to see the Devils vs. Philly Flyers on Tuesday, April 4.

Student of the Month

Deputy Superintendent Dr. Paula Howard and Board of Education President, Ms. Cristina Mateo, presented students with certificates for being selected Student of the Month (SOTM). On a monthly basis, students are recognized for exemplary behavior, academics and citizenship by their school. The students honored were:

During the public session of the meeting, several City Council Members, led by Council President Donna Williams, voiced objection to the hours recommended to elect two new board members (see FYI below). The board approved the resolution, authorizing voting from 1:00 p.m. to 8:00 p.m., as opposed to a full day. The election will be held on March 14.

Parent of the Month

Heywood Avenue School's Parent of the Month is Ms. Stephanie Hill. Ms. Hill serves a dual role at Heywood, first as a parent of a Kindergartener and parent of twins at Orange High School. Secondly, as a teacher, teaching at Heywood for over 13 years.

Pictured: Ms. Hill (center) with Heywood's Cheerleaders, along with Principal Alcantara, Assistant Principal Mr. Gerald Murphy, Board President Mateo and Dr. Howard.

Heywood is well on its way of re-establishing an active PTO at Heywood and this begins with establishing a leadership structure. Ms. Hill accepted the challenge and was elected as the new PTO Secretary. She works with the PTO President, Mrs. Davis, to plan ways to support Heywood's parents, staff and students, as well as keep the school community abreast of how parents can be further supported. Ms. Hill has, and continues to play an active role in developing student leadership and she has done so over the years as one of the cheerleading coaches, developing relationships with parents and students that have served

students and the school community. It is important that Ms. Hill recognizes that her longevity as a Heywood parent and her involvement, not only as a teacher but an active parent, is appreciated. Ms. Hill attests to the quality education her children and the children of Orange receive from the Orange Public Schools. Heywood thanks Ms. Hill for her tireless efforts, as one of its valuable parents, and looks forward to her continuing to serve the Heywood Avenue School community.

Other Business

At the close of the meeting, Mr. Thomas Sperduto (***pictured right***) was introduced as the new NJ ROTC teacher. He will support the Navy National Defense Cadet Corps (NNDCC) Unit being implemented at Orange High School.

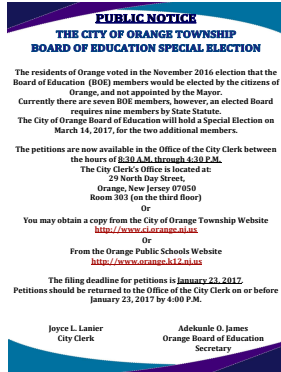

A Special Public Board of Education Meeting is scheduled for Monday, January 23 at the Board of Education Administrative Building, at 7:00 p.m. The next Monthly Board Meeting is scheduled for Tuesday, February 14, at 7:00 p.m., at Orange Preparatory Academy Auditorium.
