Back to School Night at Orange Preparatory Academy

Pictured above: Scenes from Orange Prep's Back-to-School-Night.

Back-to-School Night at Orange Preparatory Academy, one of the district's three community schools, was held on September 27. The school welcomed returning and new Grade 8 and 9 families. The welcome began in the school's lobby where parents and students picked up class schedules and various information packages, including information about the district's Parent Academy the school's PTSO and more. Student ambassadors assisted teachers, along with Montclair State University staff, supporting Orange Prep's community school model.

After gathering information, families were ushered in to the auditorium for introductions from Co-Principal Aretha Malloy. She gave an overview to families, presented the school's administrators, Assistant Principals, Mrs. Samantha Fossella and Mr. Noel Cruz, teachers by content areas, the school nurse and counselors. Ms. Malloy also introduced a new mantra - choices, "I will make the right choices and unleash my power." She highlighted that tardiness is not a choice, repeating that students must be in school no later than 8:15 a.m. to begin 1st block at 8:20 a.m. She also asked parents to complete lunch applications and surveys to help the school better serve students.

Before parents left to visit their child's classes, there was a brief overview given in Spanish by Ms. Vivian Paiz, district translator, and a message about the community school designation for Orange Prep by Ms. Stephanie Desange, Community School Coordinator.

Back to School Night at the Career and Innovation Academy of Orange School

Pictured: Scenes from CIAO's Back-to-School-Night.

At the Career and Innovation Academy of Orange, friendly staff members (***pictured far left***) and delectable cookies greeted families. Parents signed in, visited with the school counselor, completed a school survey and met with teachers about their child. Superintendent of Schools, Mr. Ronald C. Lee, along with Deputy Superintendent Dr. Paula Howard and Director of Special Services Mrs. Shelly Harper also visited the school to support Principal Dr. Erica Stewart.

Cookies were made in the culinary class and presented by teacher, Mr. Pedro Fortun.

Back to School Night at Orange High School

As Orange High families entered the school on September 27, they were greeted by staff (***pictured left and right***) and instructed to collect their child's

schedule and follow the roster to visit teachers waiting to inform them about course requirements.

Co-Principals, Dr. Kalisha Morgan and Mr. Jason Belton were on hand to direct parents and answer questions, along with guidance counselors.

The Culinary Club, led by Ms. Eileen Ninivaggi, the club's advisor, had a special treat for parents. Her students offered refreshments to families, as they passed in the hall on their way to class.

Back to School Night at Rosa Parks Community School

With over 1,000 students, Rosa Parks Community School (RPCS) had a busy evening hosting the throng of families attending Back to School Night on September 28. Principal Ms. Debra Joseph Charles coordinated the effort by presenting to families by grade level, in two sessions. Parents of K through Grade 3 students met in the cafeteria starting at 3:30 p.m. and parents of Grade 4 - 7 students met beginning at 6:00 p.m.

At both sessions, parents had an opportunity to receive real-time translation of the presentation in Spanish and Creole from the district translators, Ms. Vivian Paiz and Mr. Specker Antoine. Headsets were handed out to those needing translation during each session.

Principal Joseph Charles gave a detailed overview of the school. She introduced the administrative staff: Mr. Oliverito Agosto, Dean of Students, formerly Assistant Principal, and Assistant Principals, Mr. Joshua Chuy and Mr. Terence Wesley, who is new to RPCS.

At the early session, there was a special presentation for Kindergarten parents, which reviewed curriculum information on *Work Sampling*, the *IRead Program*, *ST Math* and more, before parents visited with teachers. Kindergarten parents were invited back for the general presentation that detailed accomplishments, achievements and goals.

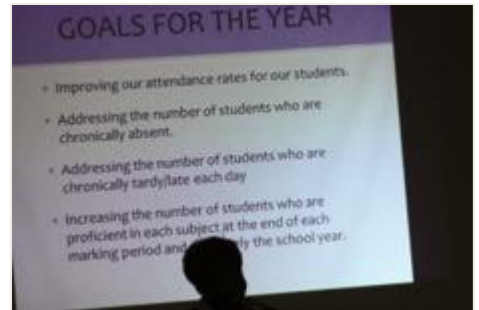

Pictured above: Scenes from RPCS's Back to School Night.

Ms. Joseph Charles proudly highlighted that RPCS teachers were recognized by the Superintendent for achieving high *Student Growth Percentiles* and that the school will once again participate in the Disney Musical in Schools program with the NJ Performing Arts Center. Last year the RPCS won a grant and successfully presented the *Lion King Kids*. The students were featured in an ad promoting the program (*pictured below*). This school year they will perform *Aladdin*. The school has also produced a Positive Behavior Support in Schools (PBSIS) instructional video to support character education.

Her goals for the coming year include improved attendance, reducing tardiness, increasing student achievement and continuing the improvement in the school's climate and culture.

Parents then visited with teachers, gaining an understanding of course requirements and class expectations. Parents were also presented with information about the community school activities and partners, the district's Parent Academy and the school's PTA.

National Principals Month

Submitted by Ms. Faith Alcantara, Principal, Heywood Avenue School/President of the OASA

National Principals Month recognizes the essential role that principals play in making a school great. Each October, NASSP, NAESP, and AFSA seek to honor these unsung heroes for their tireless efforts in pursuit of excellence in education.

National Principals Month is marked by national and state resolutions supporting the event, as well as acknowledgements from top government officials. However, the most important *National Principals Month* celebrations are those that take place in schools and communities across the country.

Schools, let us know what you are doing to celebrate *National Principals Month*.
