Math Night at Oakwood Avenue Community School

Submitted by Ms. Lakenya Francis-Griffin, Grade 1 teacher, Oakwood Avenue Community School

Oakwood Avenue Community School (OACS) held its second annual Math night on October 6, hosted by its K-3rd grade team. Teachers in each grade level created games and activities along with easy instructions for parents to follow after a quick demonstration. After instruction, parents played the games with their children. All games and activities addressed the major standards in each grade level. In addition to the interactive games, Oakwood also presented a technology tool called MobyMax.com. Parents were impressed with the various ways to utilize the site such as fluency practice in all operations from PreK-8th grade. All attendees were given take home materials and important handouts at each station.

Varsity Soccer Team Makes History for Orange High School

Submitted by Mr. Mohammed Abdelaziz, Assistant Principal - Athletics, Orange High School

On October 12, 2016, the Orange High School Varsity Girls Soccer **team (pictured left with coaches)** defeated North 13th Street Tech, 7 to 1, to win its first County Tournament Game in Orange High School Girls Soccer history! The team played a great game, scoring a goal early in the first half, 5 minutes in to the game. North 13th Street then scored on a penalty shot, but our girls showed determination, scoring 5 more goals before half time and adding one goal in the second half to secure victory and school history.

The athletic department commends Coach Peter Naumowicz and Coach Stephanie Ross, who are both very proud of the team's hard work and dedication, as they attempt to build a strong student-athlete program, promoting opportunities to enhance college portfolios and possible scholarships for Orange High School students. Assistant Principal, Mohammed Abdelaziz thanks the coaches, adding, "Please join me in congratulating the Orange HS girls Varsity Soccer team in a job well done! Wish them luck in the next round of competition against Newark Academy on Monday, October 17, 2016 at 4 p.m., at Newark Academy.

2016 Violence Awareness Week and Red Ribbon Week Activities

Contributed by Mr. Darryl Smith, Supervisor of Guidance

School Violence Awareness Week, as required by the NJ Department of Education in accordance with N.J.S.A. 18A:36-5.1, is the third Monday in October of each year (October 17- 21 in 2016). Activities planned by schools across the district will address violence prevention, including age-appropriate opportunities for student discussion about “conflict resolution, issues of student diversity, and tolerance.”

Also, October 23-31 is Red Ribbon Week. A week during which the nation honors the memory of slain DEA Agent Enrique Camarena who lost his life in the fight against drugs. Around his memory the National Family Partnership (NFP) provides drug awareness by sponsoring the annual National Red Ribbon Campaign™. The theme of this year’s campaign is *YOLO - You Only Live Once*.

The National Council of Negro Women, Chapter for the Oranges, Extends Gifts to Oakwood Avenue Community School 2nd Grade

Submitted by Mr. Robert Pettit, Principal, Oakwood Avenue Community School

Pictured: Principal Pettit with members of the NCNW.

Oakwood Avenue Community School (OACS) second grade teachers, Mrs. Rose Morrisroe and Mr. Larry Willis, were chosen to receive school supplies from the National Council of Negro Women (NCNW), Chapter for the Oranges.

Former Community School Site Coordinator, Ms. Rachel Bland, commented, "They must have heard of the wonderful work that our second grade teachers are doing and wanted to support them in any way they could."

Ms. Brenda Myrick, President of NCNW, and Reverend Ella Johnson initiated the outreach by supporting the efforts of OACS teachers and students. They understand the importance of students having the resources needed to be successful in school and out.

Mrs. Morrisroe's class wrote personal thank you letters to NCNW and followed up with pictures of the students holding their new school supplies. In the picture the children have an ear-to-ear smile as they celebrate NCNW's kind generosity. "It is kind gestures like gifting students school supplies that build community relations and pay it forward," said Mrs. Morrisroe, "I am very grateful to NCNW for putting children first and collaborating with OACS."

Mr. Willis's class printed out a picture of Mary McLeod Bethune, founder of NCNW, for students to sign.

Mr. Pettit, Principal of OACS offered two quotes invoked by the generous donations:

We make a living by what we get, we make a life by what we give. - Sir Winston Churchill and

No person was ever honored for what he received, but for what he gave. - Calvin Coolidge

Background: National Council of Negro Women Mission:

Extraordinary educator and political leader Mary McLeod Bethune (1875-1955) founded NCNW in 1935 and envisioned it to be an "organization of organizations" that would represent the national and international concerns of Black women. It would also give Black women the opportunity to realize their goals for social justice and human rights through united, constructive action. Today, the National Council of Negro Women, Inc. (NCNW) is a council of 39 affiliated national African American women's organizations and over 240 sections - connecting nearly 4 million women worldwide!

Heywood Avenue Sister2Sister Program Attends Movie Opening

Submitted by Ms. Faith Alcantara, Principal, Heywood Avenue School

Seven members of the "Sister2Sister" mentoring group from Heywood attended a Red Carpet movie event at SOPAC hosted by the North Jersey Chapter of Delta Sigma Theta Sorority, Inc. on Saturday, October 2nd to view the new Disney film, "The Queen of Katwe". The movie is based on the real life story of Phiona, a 10 year old girl living in the slums of Uganda, who learns how to play Chess and begins to do so competitively, opening doors to a brighter future for her and her family and a chance to escape a life of poverty. Sister2Sister members enjoyed their movie

experience and were inspired by the story of this young girl who showed perseverance and determination in spite of her circumstances, an example that all can learn. This is one of many experiences planned for Heywood's girls this year, as they celebrate their "sisterhood" and continue to build supportive and positive friendships with each other.

Rosa Parks Community School Art Show at the Board of Education

The Rosa Parks Community School (RPCS) Art Show, currently on display at the Board of Education office, is a colorful showing of student work, arranged by art teachers Ms. Aggie Wszolkowski

and Ms. Veronica Barahona. On October 5, students, their families and staff gathered to view the artwork and to acknowledge the artists. Supervisor of Visual and Performing Arts, Ms. Donna Sinisgalli greeted attendees before introducing Dr. Paula Howard, Deputy Superintendent, who congratulated the students for the body of artwork on display. Principal Debra Joseph Charles was also congratulatory and proud, touting the talents of the RPCS students. The art teachers gave out certificates to participating artists, after a few words from Superintendent of Schools, Mr. Ronald C. Lee.

The work is vibrant, capturing the styles of such modern artists as collagist Romare Bearden (*pictured left*) and local New Jersey artist Janet Taylor Pickett, whose work is currently on display at the Montclair Art Museum. Also represented are large graphic optical illusion

pieces in the style of Bridget Riley and bold cultural scenes reminiscent of native Canadian artist Norval Morrisseau.

The RPCS Art Show will be on display through the end of October and is open to the public during normal business hours, 8:30 a.m. to 4:00 p.m., Monday through Friday.

Smile Day at Orange Preparatory Academy

On October 7, Orange Preparatory Academy celebrated *World Smile Day* with its 4th annual *World Smile Day* event. The day kicked off as school opened with students being greeted with smile stickers by an enthusiastic crew of staff and peers. The atmosphere was cheerful, as students took Smile Day photos, listened to upbeat music, prepared especially for the occasion, by Ms. Tammy Baldwin, PE teacher and Stage Crew advisor.

Pictured: Smile Day fun at Orange Preparatory Academy.

Organized by Mrs. Malika Berry, School Social Worker, Smile Day was a great start to the school day, suggesting that this event should happen with more frequency to bring students and staff together while setting a pleasant tone for the day.

As is well known by now throughout the world Harvey Ball, a commercial artist from Worcester, Massachusetts created the smiley face in 1963. That image went on to become the most recognizable symbol of good will and good cheer on the planet. He declared that the **first Friday in October each year** would henceforth be World Smile Day®. Ever since that first World Smile Day® held in 1999, it has continued every year in Smiley's hometown of Worcester, MA and around the world. <http://www.worldsmileday.com/index.php>

Refreshments were offered to visitors in the school's Community Room and throughout the day, staff, many of whom were dressed in smile attire, gave smile stickers to students exhibiting pleasantries or doing a good deed.

Orange Preparatory Academy Holds First PTSO Meeting of the School Year

Submitted by Ms. Stephanie Desanges, Community School Coordinator, Orange Preparatory Academy

On October 11, 2016, Orange Preparatory Academy held its 1st Parent Student Teacher Organization (PTSO) meeting of the school year. Parents, teachers and students were invited to the initial meet and greet and a total of 22 parents, 7 students and 3 staff members attended the session. Families received information about expectations, culture and climate and most of all, a warm welcome from Co-Principals Ms. Aretha Malloy and Mr. Dana Gaines. Following the introductions, Community School Site Coordinator, Stephanie Desanges, and Family Liaison, Fatima Hubbard, spoke of the benefits of being involved in the school's PTSO, as well as the goal of the organization for the year. Parents then completed a short icebreaker activity and were able to welcome one another and share useful information.

Pictured (above and below left): Scenes from Orange Prep's PTSO Meeting.

To end the meeting, Technology Coordinator, Ms. Phipps, gave a short tour of the district and school websites. Parents were extremely excited and most of all they were thankful for the information they received and excited to begin exploring the sites. The next PTSO meeting is scheduled for Tuesday, November 8 at 6:00 p.m.

The meeting organizers thank all who participated in the meeting. "What a great start to re-establishing the PTSO," said Ms. Desanges.

The Orange Public Schools Collects for Haiti

October 14 was a day of support for the current crisis in Haiti. Superintendent of Schools, Mr. Ronald C. Lee, authorized a dress down day to raise money to assist the victims in Haiti, as a result of Hurricane Matthew. In exchange for the "dress down," donations of a \$1 donation from students and a minimum of \$5 from staff was requested. All proceeds will be provided to directly assist families in Haiti. "As people, our greatest gifts shine when we show compassion to others when they are in need," said Mr. Lee.

Additionally, clothing, shoes, bedding, towels, and/or cash, can be dropped off at the Board of Education office, during the coming week, for victims of Hurricane Matthew in Haiti. A local church will ship the items directly to those who need them most.

Berry's Butterflies

The Orange Preparatory Academy female mentoring group, *Berry's Butterflies*, is recruiting mentees for the new school year. "Please support the online sale. All proceeds will benefit the group's retreat. The sale will be open until October 21,
